Believer Lifestyle

"A revivalist is a believer who is focused and passionate, willing to pay any price to live in community, purity and power."

We are asking you to "pay the price" of transparency and trust as you answer the following very personal questions. We understand some of these are sensitive questions and may be difficult to answer. In order for you and us to help other women, we too must be able to work through things that have been done to us. In other areas we don't mean to highlight sin, as we know believers are forgiven and are new creations in Christ, but it is helpful for you to seriously consider our expectations in order to know if you will thrive here.

The freedom of the environment demands a high level of self-control and it works best when this sort of self-management is already being demonstrated before you come as we are not a recovery or a discipleship school, and instead will be helping women in their recovery and discipleship. If you are still trying to figure out your commitment to Christ or to personal holiness and wholeness, we are not the organization for you. If this is the case, God has a different assignment for you at this stage of your life.

NOTE: Answering YES to the following questions will NOT automatically disqualify the applicant from acceptance.
